**SUBJECT: PROPOSITION A REFUNDING BONDS**

**ACTION: AUTHORIZE SALE OF REFUNDING BONDS**

**RECOMMENDATION**

ADOPT a resolution, Attachment A, that:

- A. **AUTHORIZES** the issuance of bonds by competitive sale to refund the **Prop A Series 2008-A1, Series 2008-A2, Series 2008-A3 and Series 2008-A4 Bonds** ("the 2008-A Bonds") in one or more transactions through August 31, 2016, consistent with the Debt Policy;
- B. **APPROVES** the **forms of Notice of Intention to Sell Bonds, Notice Inviting Bids, Supplemental Trust Agreement, Bonds, and Preliminary Official Statement**, all subject to modification as set forth in the resolution; and
- C. **AUTHORIZES** taking all action necessary to achieve the foregoing, including, without limitation, the further development and execution of bond documentation associated with the issuance of the bonds.

(REQUIRES SEPARATE, SIMPLE MAJORITY BOARD VOTE.)

**ISSUE**

Lower interest rates offer an opportunity for Metro to lock in low long term rates by refunding the outstanding variable rate 2008-A Bonds and eliminate short term interest rate risk. The 2008-A Bonds refunded the 2005-C bonds, which were issued in combination with interest rate swaps that were intended to produce a synthetic fixed rate of approximately 3.37%. Because the fixed rate based on the interest rate swaps was higher than the current market, we terminated the swaps on July 1, 2015 at no cost to Metro. Metro has entered into agreements with two banks for the 2008-A bonds where we pay a variable interest rate that resets monthly and is tied to one-month London Interbank Offered Rate ("LIBOR") index. A refunding with fixed rate bonds will allow us to lock-in the interest cost over the remaining term of the bonds at currently low interest rates and remove the risk of rising short term rates. We are requesting the authority to sell Proposition A First Tier Senior Sales Tax Revenue Refunding Bonds (the "Refunding Bonds") in one or more transactions through August 31, 2016, to allow flexibility should significant market volatility occur. It is our expectation that the \$238.4 million

outstanding principal of the 2008-A Bonds will be refunded through a competitive sale by spring 2016, depending on market conditions.

## **DISCUSSION**

The 2008-A Bonds bear an interest rate that resets monthly based on one-month LIBOR. The variable interest rate, including a spread that Metro has agreed to pay to the two banks that purchased the bonds, is currently about 0.50% (half of one percent). Although current short-term interest rates are very low, the cost to Metro is expected to increase as interest rates rise due to the fact that the 2008-A bonds bear interest at a variable rate. Issuing fixed rate bonds will mitigate that risk.

The Debt Policy establishes criteria to evaluate refunding opportunities. The Refunding Bonds are recommended to change the debt from variable rate to fixed rate and the Debt Policy provides for refundings that change the type of debt instrument being used. The refunding is not being undertaken solely to achieve cost savings or meet target savings amounts. At the current variable interest rate of 0.50%, including the bank spread, a fixed rate refunding will result in a higher interest cost. However, should the LIBOR index increase to the 10 year average for one-month LIBOR of 1.495% for the remaining 16 year term of the 2008-A Bonds, the refunding will result in about \$4 million in present value total debt service savings to Metro.

As part of this issuance of Refunding Bonds, the Trust Agreement will be amended to conditionally eliminate the Debt Service Reserve Fund ("DSRF") requirement. The Refunding Bonds and any future Prop A bonds will be issued under supplemental trust agreements that allow for the elimination of the DSRF requirement once 60% of all outstanding First Tier Senior Lien bonds are issued under this revised DSRF provision, which is estimated to occur in July 2021. During the period between this Refunding Bond issue and when the amendment actually takes place, Metro may have to contribute funds to satisfy the DSRF requirement. Once the amendment takes effect, Metro will have the option to issue any new or refunding bonds without a debt service reserve fund, can also elect to have the new bonds establish a new debt service reserve requirement or participate in the existing reserve fund.

Currently, Metro is required to set-aside \$140 million in a debt service reserve fund to secure all Prop A First Tier Senior Lien Bonds, which is equal to the maximum amount of future debt service paid in a fiscal year. Metro meets this requirement with approximately \$54 million in cash and investments, and an \$85.5 million surety, or insurance policy. The cash and investments were funded from prior Prop A First Tier Senior Lien bonds, and currently earn a relatively low investment rate. The surety policy was purchased in 2008 and expires in July 2021.

Based on current projections of refundings, we anticipate meeting the 60% consent requirement in 2021, enabling us to reduce the DSRF requirement and initiate the reduction of cash and investments held in the DSRF. The lower DSRF requirement will also eliminate the need to replace the surety policy. Factoring in principal paydowns, we project that the DSRF requirement will only be approximately \$11 million by fiscal 2022, securing the remaining bonds (Prop A 2014A and 2015A bonds) that have not been issued under the amended trust agreement. At that level, we estimate \$43 million of the \$54 million cash in the DSRF will be available to pay Prop A debt service, thereby

freeing up funds for other Prop A projects.

The Reserve Requirement was created in 1986 when the Trust Agreement was originally executed. Purchasers of Metro bonds and the rating agencies no longer place a significant amount of value on a debt service reserve fund for an issuer with the AAA credit strength of our Prop A bonds. We have received confirmation from Standard & Poor's and Moody's Investors Service that removing the debt service reserve fund for future bond issues will not have an impact on the bond ratings for the First Tier Senior Lien Bonds, keeping our ratings at the current levels of AAA and Aa1, respectively.

### **DETERMINATION OF SAFETY IMPACT**

Approval of this report will not impact the safety of Metro's patrons or employees.

### **FINANCIAL IMPACT**

The costs of issuance for the bonds will be paid from proceeds of the financing and will be budget neutral. Bond principal and bond interest expense for the Prop A 2008-A Bonds are included in the FY16 budget in project 610306, account 51101 for principal and account 51121 for interest.

### **ALTERNATIVES CONSIDERED**

The Board could defer the refunding to a later time or indefinitely. This is not recommended because recent market conditions have been favorable for the refunding. Also short-term rates have risen since the Federal Reserve increased the Fed Funds rate on December 16, 2015, and the Federal Reserve is signaling more short-term interest rate increases will occur during 2016. Strength in the domestic economy could also cause short-term interest rates to rise. A refunding at a later time may result in the payment of higher interest costs over the term of the bonds. In addition, the current agreements with the two banks providing the short term liquidity expire in August 2016 and if we do not issue Refunding Bonds we will have to replace the existing bank facilities.

### **NEXT STEPS**

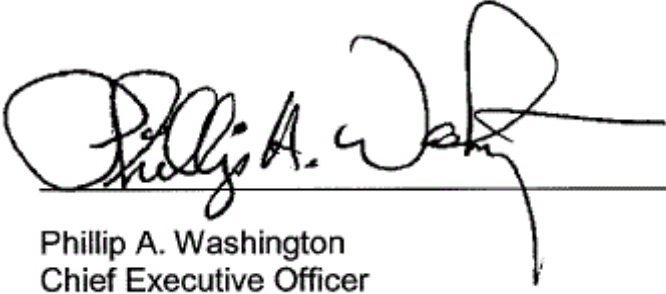

- Further develop bond issuance documentation and publish the sales notices
- Obtain credit ratings
- Distribute the preliminary official statement to prospective underwriters and potential investors
- Initiate pre-marketing effort
- Receive electronic bids from underwriters
- Finalize bond documentation and deliver the bonds

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE LOS ANGELES COUNTY METROPOLITAN TRANSPORTATION AUTHORITY, AS FOLLOWS:

**Section 1. Findings.** The LACMTA hereby finds and determines that the issuance of one or more series of its Refunding Bonds under the Trust Agreement to refund all or a portion of the Series 2008-A Bonds (provided that the refunding of the Refunded Bonds is consistent with the LACMTA's Debt Policy as in effect at the time of pricing of the Refunding Bonds), to fund or make provision for one or more reserve funds or accounts, if necessary, for the Refunding Bonds and to pay certain costs related to the issuance of the Refunding Bonds thereto is in the public interest.

**Section 2. Issuance of Refunding Bonds.** The Board of the LACMTA hereby authorizes the issuance by the LACMTA of one or more series of Refunding Bonds in a total aggregate principal amount not to exceed \$250,000,000 to refund all or a portion of the Series 2008-A Bonds (provided that the refunding of the Series 2008-A Bonds is consistent with the LACMTA's Debt Policy as in effect at the time of pricing of the Refunding Bonds as determined and calculated at the discretion of the Treasurer of the LACMTA, which shall be conclusive for all purposes of this Resolution), to fund or make provision for one or more reserve funds or accounts, if necessary, and to pay certain costs related to the issuance of the Refunding Bonds. The LACMTA hereby specifies that each series of Refunding Bonds shall not mature later than July 1, 2031 and the True Interest Cost (as defined below) of each series of the Refunding Bonds shall not exceed 4.00%, as such shall be calculated by the LACMTA's financial advisor as of the date of delivery of each series of the Refunding Bonds. The Refunding Bonds shall be issued in a manner by which the interest thereon is excludable from gross income under the Internal Revenue Code of 1986, as amended. The Chief Executive Officer ("CEO") of the LACMTA, any Executive Director, Finance and Budget of the LACMTA, any Treasurer of the LACMTA, any Assistant Treasurer of the LACMTA, or any such officer serving in an acting or interim capacity, and any written designee of any of them (each a "Designated Officer"), acting in accordance with this Section 2, are each hereby severally authorized to determine the actual aggregate principal amount of each series of Refunding Bonds to be issued (not in excess of the maximum amount set forth above), and to direct the execution and authentication of the Refunding Bonds in such amount. Such direction shall be conclusive as to the principal amounts hereby authorized. The Refunding Bonds shall be in fully registered form and shall be issued as Book-Entry Bonds as provided in the Supplemental Trust Agreement. Payment of the principal of, interest on and premium, if any, on the Refunding Bonds shall be made at the place or places and in the manner provided in the Supplemental Trust Agreement.

As used herein, the term "True Interest Cost" shall be the interest rate (compounded semiannually) necessary to discount the debt service payments from their respective payment dates to the dated date of the applicable series of Refunding Bonds and to the principal amount, and premium or discount if any, of the applicable series of Refunding Bonds. For the purpose of calculating the True Interest Cost, the principal amount of the applicable series of Refunding Bonds scheduled for mandatory sinking fund redemption as part of a term bond shall be treated as a serial maturity for such year. The calculation of the True Interest Cost shall include such other reasonable assumptions and methods as determined by the LACMTA's financial advisor.

**Section 3. Terms of Refunding Bonds.** The Refunding Bonds shall be issued as current interest bonds and shall be available in denominations of \$5,000 and integral multiples thereof. The Refunding Bonds shall, when issued, be in the aggregate principal amounts and shall be dated as shall be provided in the final form of the Supplemental Trust Agreement. The

Refunding Bonds may be issued as serial bonds or as term bonds or as both serial bonds and term bonds, all as set forth in the Supplemental Trust Agreement. Interest on the Refunding Bonds shall be paid at the rates and on the dates set forth in the Supplemental Trust Agreement. No Refunding Bond shall bear interest at a rate in excess of 6.00% per annum. The Refunding Bonds shall be subject to redemption at the option of the LACMTA on such terms and conditions as shall be set forth in the Supplemental Trust Agreement. The Refunding Bonds issued as term bonds also shall be subject to mandatory sinking fund redemption as shall be set forth in the Supplemental Trust Agreement.

Execution and delivery of Supplemental Trust Agreement, which document will contain the maturities, interest rates and the fixed interest payment obligations of the LACMTA within parameters set forth in this Resolution, shall constitute conclusive evidence of the LACMTA's approval of such maturities, interest rates and payment obligations.

**Section 4. Special Obligations.** The Refunding Bonds shall be special obligations of the LACMTA secured by and payable from the Pledged Revenues and from the funds and accounts held by the Trustee under the Trust Agreement.

**Section 5. Form of Refunding Bonds.** The Refunding Bonds and the Trustee's Certificate of Authentication to appear thereon shall be in substantially the form set forth in Exhibit A to the Supplemental Trust Agreement on file with the Secretary of the Board and made available to the Board, with such necessary or appropriate variations, omissions and insertions as permitted or required by the Trust Agreement or the Supplemental Trust Agreement or as appropriate to adequately reflect the terms of such Refunding Bonds and the obligation represented thereby.

**Section 6. Execution of Refunding Bonds.** Each of the Refunding Bonds shall be executed on behalf of the LACMTA by any Designated Officer and any such execution may be by manual or facsimile signature, and each bond shall be authenticated by the endorsement of the Trustee or an agent of the Trustee. Any facsimile signature of such Designated Officer(s) shall have the same force and effect as if such officer(s) had manually signed each of such Refunding Bonds.

**Section 7. Approval of Documents, Authorization for Execution.** The form, terms and provisions of the Supplemental Trust Agreement, the Escrow Agreement, the Notice Inviting Bids, the Notice of Intention to Sell Bonds and the Continuing Disclosure Certificate on file with the Secretary of the Board and made available to the Board within the parameters set forth in this Resolution are in all respects approved, and each of the Designated Officers is hereby severally authorized, empowered and directed to execute, acknowledge and deliver in the name of and on behalf of the LACMTA the Supplemental Trust Agreement, the Escrow Agreement, the Notice Inviting Bids, the Notice of Intention to Sell Bonds and the Continuing Disclosure Certificate, including counterparts thereof. changes or revisions therein from the form of the Supplemental Trust Agreement, the Escrow Agreement, the Notice Inviting Bids, the Notice of Intention to Sell Bonds and the Continuing Disclosure Certificate, now on file with the Secretary of the Board and made available to the Board; and from and after the execution and delivery of the Supplemental Trust Agreement, the Escrow Agreement, the Notice Inviting Bids, the Notice of Intention to Sell Bonds and the Continuing Disclosure Certificate, the officers, agents and employees of the LACMTA are hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Supplemental Trust Agreement, the Escrow Agreement, the Notice Inviting Bids, the Notice of Intention to Sell Bonds and the Continuing Disclosure Certificate.

**Section 13. Authorized Commission Representative/Authorized Authority Representative.** The Board hereby designates the CEO, the Executive Director, Finance and Budget of the LACMTA, the Treasurer of the LACMTA, and each Assistant Treasurer of the LACMTA, or any such officer serving in an acting or interim capacity, as an Authorized Commission Representative and an Authorized Authority Representative for all purposes under the Trust Agreement and with respect to all bonds outstanding under the Trust Agreement. Continuing Authority of Designated Officers.** The authority of any individual serving as a Designated Officer under this Resolution by a written designation signed by the CEO of the LACMTA, any Executive Director, Finance and Budget of the LACMTA, any Treasurer of the LACMTA, or any Assistant Treasurer of the LACMTA shall remain valid notwithstanding the fact that the individual officer of the LACMTA signing such designation ceases to be an officer of the LACMTA, unless such designation specifically provides otherwise.

**Section 16. Further Actions.** From and after the delivery of the Refunding Bonds, the Designated Officers and each of them are hereby authorized and directed to amend, supplement or otherwise modify the Supplemental Trust Agreement, the Escrow Agreement and the Continuing Disclosure Certificate at any time and from time to time and in any manner determined to be necessary or desirable by the Designated Officer executing such amendment, supplement, or modification, upon consultation with the LACMTA’s financial advisor and Bond Counsel, the execution of such amendment, supplement or other modification being conclusive evidence of the LACMTA’s approval thereof. Further, the Designated Officers and each of them are hereby authorized and directed to terminate any municipal bond insurance policy, reserve fund surety or investment agreement and enter into one or more municipal bond insurance policies, reserve fund sureties or investment agreements as any such Designated Officer shall determine is appropriate or necessary.

**Section 17.
