**Agenda Number:** 8

---

### FINANCE, BUDGET AND AUDIT COMMITTEE MAY 17, 2017

**SUBJECT: MANAGEMENT AUDIT SERVICES FY 2017 THIRD QUARTER REPORT**

**ACTION: RECEIVE AND FILE**

#### **RECOMMENDATION**

RECEIVE AND FILE the **third quarter report of Management Audit Services (Management Audit) for the period ending March 31, 2017.**

#### **ISSUE**

At its January 2005 meeting, the Board designated the Executive Management and Audit Committee (EMAC) as their audit committee. The EMAC requested a quarterly report from Management Audit on its audit activities. In July 2011, the audit responsibilities were transferred to the Finance, Budget and Audit Committee. This report fulfills the requirement for the third quarter of FY 2017.

#### **DISCUSSION**

Management Audit provides audit support to the Chief Executive Officer (CEO) and his executive management team. The audits we perform are categorized as either internal or external. Internal audits evaluate the processes and controls within the agency. External audits analyze contractors, cities or non-profit organizations that we conduct business with or receive Metro funds.

There are four groups in Management Audit: Performance Audit, Contract Pre-Award Audit, Incurred Cost Audit and Audit Support and Research Services. Performance Audit is primarily responsible for all audits for Operations, Finance and Administration, Planning and Development, Program Management, Information Technology, Communications, Risk, Safety and Asset Management and Executive Office. Contract Pre-Award and Incurred Cost Audit are responsible for external audits in Planning and Development, Program Management and Vendor/Contract Management. All of these units provide assurance to the public that internal processes are efficiently, economically, effectively, ethically, and equitably performed by conducting audits of program effectiveness and results, economy and efficiency, internal controls, and compliance. Audit Support and Research Services is responsible for administration, financial management, budget coordination, and audit follow-up and

resolution tracking.

The summary of Management Audit activity for the quarter ending March 31, 2017 is as follows:

Internal Audits: 16 internal audits were in process.

External Audits: 2 contract pre-award audits with a total value of \$7 million were completed and 12 incurred cost audits with a total value of \$42.8 million were completed. One contract pre-award audit and 72 incurred cost audits were in process.

Audit Follow-up and Resolution: 36 recommendations were closed and 20 recommendations were added during the third quarter. At the end of the quarter, there were 82 open audit recommendations. In addition, nine recommendations for the OIG were closed. Details of all open, extended, and closed recommendations can be found in the Third Quarter Board Box titled "Status of Audit Recommendations".

Management Audit's FY 2017 third quarter report is included as Attachment A.

### **NEXT STEPS**

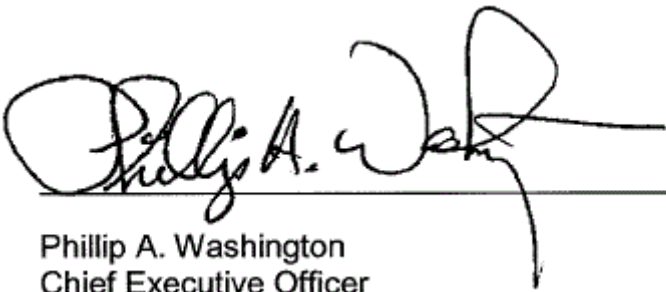

Management Audit will provide the FY 2017 year-end summary of audit activity to the Board at the September 2017 Finance, Budget and Audit Committee meeting.

# *EXECUTIVE SUMMARY*

## Summary of Audit Activity

During the third quarter of FY 2017, 15 projects were completed. These include:

### Pre-Award Audits

- Independent Auditor's Report on Agreed-Upon Procedures for the Cost Proposal for Articulated Electric Buses;
- Independent Auditor's Report on Agreed-Upon Procedures for the Cost Proposal for Highway Program Project Delivery Support Services for Los Angeles County.

### Incurred Cost Audits

- Two Independent Auditor's Reports on Agreed-Upon Procedures for the FY14 and FY15 Incurred Overhead Rates for Westside Purple Line Extension Project;
- Independent Auditor's Report on Agreed-Upon Procedures for the Interim Incurred Cost for November 9, 2011 to December 31, 2015 for SR-710 Gap Alternatives Analyses;
- Independent Auditor's Report on Agreed-Upon Procedures of the Close-out Review of City of La Canada Flintridge's I-210 Soundwalls Project;
- Independent Auditor's Report on Agreed-Upon Procedures of the Close-out Review of Caltrans' SR-710 (Pacific Coast Highway to Downtown Long Beach) Improvement Project;
- Independent Auditor's Report on Agreed-Upon Procedures of the Close-out Review of City of Glendale's Grandview Ave. Modification Project;
- Independent Auditor's Report on Agreed-Upon Procedures of the Close-out Review of City of Manhattan Beach's Sepulveda Blvd. at Marine Ave. Intersection Improvements Project;
- Independent Auditor's Report on Agreed-Upon Procedures of the Close-out Review of City of Los Angeles' Adaptive Traffic Control System Wilshire East Project;
- Independent Auditor's Report on Agreed-Upon Procedures of the Close-out Review of City of Lancaster's SR-14/Ave. I Interchange Improvement Project;
- Independent Auditor's Report on Agreed-Upon Procedures of the Close-out Review of City of Santa Monica's Ocean Park Blvd. Main St. Neilson Way Signal System Project;
- Independent Auditor's Report on Agreed-Upon Procedures of the Close-out Review of City of Burbank's I-5/SR-134 Congestion Management Project; and
- Independent Auditor's Report on Agreed-Upon Procedures of the Close-out Review of City of Inglewood's Arbor Vitae Improvement Project.

### Other Audits

- Audited Financial Statements of Metro ExpressLanes.

The completed external audits are discussed on page 3. Discussions of Other audits issued by external CPA firms begin on page 4.

## *EXECUTIVE SUMMARY*

Eighty-nine projects were in process as of March 31, 2017; these include 16 internal audits, one contract pre-award audits, and 72 incurred cost audits.

The following chart identifies the functional areas where Management Audit focused audit staff time and efforts during third quarter FY 2017:

### Audit follow-up:

- Thirty-six recommendations were closed during the third quarter. At the end of the quarter there were 82 open audit recommendations.
- In addition, we closed 9 OIG recommendations. At the end of the quarter there were 20\* open audit recommendations.

\*This total does not include recommendations included in the Capital Project Construction Management Best Practices Study, Audit of Westside Purple Line Extension Section 2- Modification No. 52 and Review of Metro Safety Culture and Rail Operational Safety, as the management response and/or estimated completion dates are still pending. However, Program Management and Operations have hired consultants to assist in addressing the most critical elements of the Best Practices Study and Review of Metro Safety Culture and Rail Operational Safety.

# *EXTERNAL AUDITS*

## Contract Pre-Award Audit

Contract Pre-Award Audit provides support to the Vendor/Contract Management Department for a wide range of large-dollar procurements and projects. This support is provided throughout the procurement cycle in the form of pre-award, interim, change order, and closeout audits, as well as assistance with contract negotiations.

During third quarter FY 2017, two audits were completed reviewing a net value of \$7 million. Auditors questioned \$734 thousand or 10% of the proposed costs. The two audits supported procurements in the following areas:

- Articulated Electric Bus procurements; and
- Highway Program Project Delivery Support Services procurement.

One contract pre-award audit was in process as of March 31, 2017.

Details on Contract Pre-Award Audits completed during third quarter FY 2017 are in Appendix A.

## Incurred Cost Audit

Incurred Cost Audit conducts audits for Planning and Development's Call-for-Projects program, Program Management's highway projects, federally funded transportation programs, and various other transportation related projects, including CalTrans projects. The purpose of the audits is to ensure that funds are spent in accordance with the terms of the grants/contracts and federal cost principles.

Incurred Cost Audit completed 12 audits during third quarter FY 2017. We reviewed \$42.8 million of funds and identified \$3.5 million or 8% of unused funds that may be reprogrammed. Seventy-two incurred cost audits were in process as of March 31, 2017.

Details on Incurred Cost Audits completed during third quarter FY 2017 are in Appendix B.

# *OTHER AUDITS*

## Other Audits

Other audits completed during third quarter FY17 by external CPA firms include:

### Audited Financial Statements of Metro ExpressLanes – Issued January 2017

Metro ExpressLanes started as a one-year demonstration program that tested innovations to improve existing transportation systems in three sub-regions: the San Gabriel Valley, Central Los Angeles, and the South Bay. The first Metro ExpressLanes commenced revenue operations in November 2012 on the I-110 Harbor Freeway, between Adams Blvd. and the 91 freeway. The second began revenue operations in February 2013 on the I-10 El Monte Freeway between Alameda St. and the 605 Freeway. In April 2014, the Board voted unanimously to make the ExpressLanes on the I-110 and I-10 Freeways permanent. Later that year the California State Legislature approved a motion making the toll lanes permanent in Los Angeles and that the Governor sign it to become official.

An audit of the financial statements of Metro ExpressLanes, an enterprise fund of the LACMTA, was performed by Vasquez & Company, LLP (Vasquez) for the year ended June 30, 2016. Vasquez found that the financial statements present fairly, in all material respects, the financial position of the Metro ExpressLanes fund.

# AUDIT SUPPORT SERVICES

## Audit Follow-Up and Resolution

During the third quarter, 36 recommendations were completed and closed. At the end of this quarter there were 82 outstanding audit recommendations. The table below summarizes the third quarter activity.

### Summary of MAS and External Audit Recommendations As of March 31, 2017

| Executive Area                     | Closed    | Late <sup>1</sup> | Extended  | Not Yet Due/Under Review | Total Open |
|------------------------------------|-----------|-------------------|-----------|--------------------------|------------|
| Program Management                 | 2         |                   | 6         |                          | 6          |
| Labor/Employee Relations           |           |                   | 1         |                          | 1          |
| Information Technology             | 3         |                   |           |                          |            |
| Metro Operations                   | 8         |                   | 11        | 44                       | 55         |
| Planning and Development           | 14        |                   | 1         | 9                        | 10         |
| Communications                     | 3         |                   | 9         |                          | 9          |
| Systems Security & Law Enforcement | 6         |                   |           |                          |            |
| Congestion Reduction               |           |                   | 1         |                          | 1          |
| <b>Totals</b>                      | <b>36</b> | <b>0</b>          | <b>29</b> | <b>53</b>                | <b>82</b>  |

1. Any findings that have not been corrected 90 days after the due date are reported as late.

In addition to the above MAS and external audit recommendations, we closed 9 recommendations for the Office of the Inspector General (OIG). At the end of the quarter there were 20\* outstanding OIG audit recommendations.

\*This total does not include recommendations included in the Capital Project Construction Management Best Practices Study, Audit of Westside Purple Line Extension Section 2- Modification No. 52 and Review of Metro Safety Culture and Rail Operational Safety, as the management response and/or estimated completion dates are still pending. However, Program Management and Operations have hired consultants to assist in addressing the most critical elements of the Best Practices Study and Review of Metro Safety Culture and Rail Operational Safety.

| 30                         | Planning & Development | 14-EDD-P01 - Real Estate Property                | 6        | We recommend that Real Estate Management review lease agreements and make appropriate CPI and/or FMV adjustments. Document the decisions made on file when FMV and/or CPI adjustments are deemed unnecessary.   | 6/30/2017                |                          |
| 31                         | Planning & Development | 14-EDD-P01 - Real Estate Property                | 7        | We recommend that Real Estate Management ensure property management system is updated to reflect the appropriate lease amount.  | 6/30/2017                |                          |
| 32                         | Planning & Development | 14-EDD-P01 - Real Estate Property                | 8        | We recommend that Real Estate Management improve the invoice review process when manual invoices are generated outside the system for accuracy and completeness.  | 6/30/2017                |                          |
| 33                         | Planning & Development | 14-EDD-P01 - Real Estate Property                | 9        | We recommend that Real Estate Management set dollar threshold levels of approval for credit memos.  | 6/30/2017                |                          |
| 34                         | Planning & Development | 14-EDD-P01 - Real Estate Property                | 10       | We recommend that Real Estate Management require that all credit memos include a justification and proper documentation.  | 6/30/2017                |                          |
| 35                         | Planning & Development | 14-EDD-P01 - Real Estate Property                | 11       | We recommend that Real Estate Management complete the required inspections and document inspection records on file.   | 6/30/2017                |                          |
| 36                         | Planning & Development | 14-EDD-P01 - Real Estate Property                | 12       | We recommend that Real Estate complete the write off process for delinquent accounts that are deemed uncollectable in accordance with the policy established for writing off uncollectable amounts.   | 6/30/2017                |                          |
| 37                         | Planning & Development | 14-EDD-P01 - Real Estate Property                | 13       | We recommend that Real Estate Management develops policies and procedures for collecting and writing off past due accounts including when consultation with County Counsel is required. Policy should include timeframes to ensure timely actions are taken.  | 6/30/2017                |                          |
| 38                         | Planning & Development | 14-EDD-P01 - Real Estate Property                | 14       | We recommend that Real Estate Management will establish a process for investigating customer's payment that has no invoice reference so proper application of payments received can be made or invoice can be prepared.   | 6/30/2017                |                          |
| 39                         | Operations             | 16-OPS-P01 - Wayside Systems - Track Maintenance | 1        | We recommend the Chief Operations Officer require Track management to develop an inventory of linear assets and their components that can be the basis of a PMP to accurately forecast maintenance requirements and component replacements.   | 6/30/2017                |                          |
| 40                         | Operations             | 16-OPS-P01 - Wayside Systems - Track Maintenance | 2        | We recommend the Chief Operations Officer require Track management to develop a formal risk assessment of potential failures for track components or assets aimed at supplementing the current inspection program with a scheduled maintenance plan for selected components or maintenance practices.   | 6/30/2017                |                          |
| 41                         | Operations             | 16-OPS-P01 - Wayside Systems - Track Maintenance | 3        | We recommend the Chief Operations Officer require Track management to revise the current PMP to include assets or maintenance activities that can be performed on a cyclical basis.   | 3/31/2017                |                          |
| 42                         | Operations             | 16-OPS-P01 - Wayside Systems - Track Maintenance | 4        | We recommend the Chief Operations Officer require Track management to develop quality standards for track maintenance to proactively maintain Metro's unique track infrastructure.  | 6/30/2017                |                          |

Any findings that have not been corrected 90 days after the due date are reported as late.

| Open Audit Recommendations |            |  |          |  |                          |                          |
|----------------------------|------------|--|----------|--|--------------------------|--------------------------|
| No.                        | Area       | Audit Number & Title                             | Rec. No. | Recommendation   | Original Completion Date | Extended Completion Date |
| 43                         | Operations | 16-OPS-P01 - Wayside Systems - Track Maintenance | 5        | We recommend the Chief Operations Officer require Track management to consider the use of GPS-enabled handheld PDAs or other electronic device to record inspection results and improve track inspection information collection.   | 11/30/2016               | 6/30/2017                |
| 44                         | Operations | 16-OPS-P01 - Wayside Systems - Track Maintenance | 6        | We recommend that while the long-term recommendation is being evaluated, that the Chief Operations Officer require Track management to revise inspection forms/reports to include: applicable checklists with inspection criteria for the different types of inspections; condition description, and ranking description of conditions with estimated completion for corrective actions. | 6/30/2017                |                          |
| 45                         | Operations | 16-OPS-P01 - Wayside Systems - Track Maintenance | 7        | We recommend that while the long-term recommendation is being evaluated, that the Chief Operations Officer require Track management to train inspectors to properly complete both inspection and maintenance forms.  | 6/30/2017                |                          |
| 46                         | Operations | 16-OPS-P01 - Wayside Systems - Track Maintenance | 8        | We recommend that while the long-term recommendation is being evaluated, that the Chief Operations Officer require Track management to log all conditions that impact the track structure in the inspection reports, including water damage in the tunnels.  | 06/30/2017               |                          |
| 47                         | Operations | 16-OPS-P01 - Wayside Systems - Track Maintenance | 9        | We recommend that while the long-term recommendation is being evaluated, that the Chief Operations Officer require Track management to collaborate with ITS to explore best options to enter inspection results in electronic format in a centralized location to allow future trends and analyses of data.  | 6/30/2017                |                          |
| 48                         | Operations | 16-OPS-P01 - Wayside Systems - Track Maintenance | 10       | We recommend that while the long-term recommendation is being evaluated, that the Chief Operations Officer require Track management to work with other business units who are responsible to implement any corrective actions that may impact track maintenance and/or track condition.  | 6/30/2017                |                          |
| 49                         | Operations | 16-OPS-P01 - Wayside Systems - Track Maintenance | 11       | We recommend that the Chief Operations Officer, require Track management to collaborate with ITS to maximize the use of the M3 system (Inspection and/or Work Management modules) or identify a new system that is more suited for their process and make this a budgetary priority.   | 6/30/2017                |                          |
| 50                         | Operations | 16-OPS-P01 - Wayside Systems - Track Maintenance | 12       | We recommend that the Chief Operations Officer, require Track management to provide training for track management, supervisors and/or leads that create work orders in the M3 system.  | 6/30/2017                |                          |
| 51                         | Operations | 16-OPS-P01 - Wayside Systems - Track Maintenance | 13       | We recommend that the Chief Operations Officer, require Track management to log all open maintenance conditions in M3, as they are identified, to produce meaningful reports.  | 6/30/2017                |                          |
| 52                         | Operations | 16-OPS-P01 - Wayside Systems - Track Maintenance | 14       | We recommend that the Chief Operations Officer, require Track management develop performance metrics for reporting to Executive Management on track condition and maintenance efforts.   | 3/31/2017                |                          |
| 53                         | Operations | 16-OPS-P01 - Wayside Systems - Track Maintenance | 15       | We recommend the Chief Operations Officer require Tracks Management to develop departmental policies and procedures specific to Track Maintenance activities and specify the track maintenance standards and/or guidelines that should be followed.  | 6/30/2017                |                          |
| 54                         | Operations | 16-OPS-P01 - Wayside Systems - Track Maintenance | 16       | We recommend the Chief Operations Officer require Tracks Management to develop an illustrative field manual based on Metro's own criteria for track maintenance and allocate the necessary budget to do this.  | 6/30/2017                |                          |
| 55                         | Operations | 16-OPS-P01 - Wayside Systems - Track Maintenance | 17       | We recommend the Chief Operations Officer require Tracks Maintenance to update SOPs to align with the track inspection criteria.   | 6/30/2017                |                          |
| 56                         | Operations | 16-OPS-P01 - Wayside Systems - Track Maintenance | 18       | We recommend that the Chief Operations Officer require Track Management to engage engineering talent to provide design specifications for these complex and specialized equipment.   | 3/31/2017                |                          |

Any findings that have not been corrected 90 days after the due date are reported as late.
