Public Safety Advisory Committee Update

Metro Board of Directors

October 7, 2021

committee introductions

one-minute introductions:

share a bit about who you are
and your experience with Metro

Metro

committee feedback

it would be helpful for PSAC members to get an understanding of the board's perspective on the following:

priorities:

what should the committee focus on?

other important convos:

how should we tackle less urgent topics that are related to public safety?

centering community:

what should this group do to center the experiences of marginalized groups?
