SUBJECT: OPERATIONS EMPLOYEES OF THE MONTH

RECOMMENDATION

RECOGNIZE Operations Employees of the Month.

Equity Platform

Employee of the Month (EOM) nominations to the Chief Operations Officer must be for frontline employee or field supervisor serving in a customer facing role. Operations management is encouraged to nominate employees that have achieved excellence and/or gone above and beyond their assigned job role/functions and are diverse in both gender and ethnicity. In addition, a review of location, job responsibilities and seniority is considered when making final selections to ensure there is diverse representation among the various groups within the department. Operations also works with Logistics, which nominates employees once a quarter that work in our storerooms.
