FINANCE, BUDGET AND AUDIT COMMITTEE
JUNE 20, 2024

SUBJECT: ANNUAL FINANCIAL AND COMPLIANCE AUDITS OF METRO AND ITS

COMPONENT UNITS FY24-29

ACTION: APPROVE CONTRACT AWARD

RECOMMENDATION

AUTHORIZE the Chief Executive Officer to award a firm-fixed unit rate Contract No. PS108960(2) 000 to Crowe LLP (Crowe) to perform annual financial and compliance audits of Metro and its component units in the not-to-exceed (NTE) amount of \$2,096,970 for the five-year base term, and \$464,450 for the one-year option term, for a total combined NTE amount of \$2,561,420, effective July 1, 2024, subject to resolution of all properly submitted protest(s), if any.

ISSUE

Metro is required to have an independent Certified Public Accountant to perform annual financial and compliance audits. The audit reports are submitted to funding partners and financing institutions relative to Metro bond issues. The recommended contractor shall begin with the audit of Metro's financial statements and component units starting the fiscal year ending June 30, 2024.

BACKGROUND

Los Angeles County Metropolitan Transportation Authority (Metro) was created by State of California Assembly Bill 152, Los Angeles County Metropolitan Transportation Authority Reform Act of 1992, which became effective on February 1, 1993. Metro is unique among the nation's transportation agencies. It serves as a planner, coordinator, designer, builder, operator, and funding partner of the transportation network serving the most populous county in the nation. State law requires Metro to publish a complete set of audited financial statements within six months of the close of each fiscal year.

The financial and compliance audits must be conducted in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in Government Auditing Standards

(Government Auditing Standards), issued by the Comptroller General of the United States. The main goal of the independent audit is to provide reasonable assurance that the financial statements are free of material misstatement, whether due to fraud or error.

DISCUSSION

- State Transit Assistance (STA);
- Service Authority for Freeway Emergencies (SAFE),
- Low Carbon Transit Operations Program (LCTOP); and

In addition, the firm is required to provide a management report that addresses any material weaknesses and/or significant deficiencies in Metro's accounting system and internal controls noted in the auditor's examination of Metro's books and records. The firm will also provide an auditor's attestation letter that the auditor verified that there are no material differences in the data presented as part of the Financial Test of Self-Insurance Letter for Metro's underground storage tanks in comparison to the audited financial statements for the fiscal year.

A. Procurement Background

This Board Action is to approve Contract No. PS108960(2)000 to perform financial and compliance audits of Metro and its component units. Board approval of contract award is subject to the resolution of all properly submitted protest(s), if any.

The Request for Proposals (RFP) was originally issued on September 8, 2023. Two proposals were received by the proposal due date and time. However, the solicitation was canceled due to changes in the RFP requirements.

On February 6, 2024, RFP No. PS108960(2) was issued as a competitive procurement, in accordance with Metro's Acquisition Policy and the contract type is a firm-fixed unit rate. The Diversity & Economic Opportunity Department recommended a Disadvantaged Business Enterprise (DBE) contract goal of 12% for this procurement.

Two amendments were issued during the solicitation phase of this RFP:

- Amendment No. 1, issued on February 23, 2024, extended the deadline to submit questions.
- Amendment No. 2 issued on March 14, 2024, extended the proposal due date and provided an updated list of certified DBE firms.

A total of 19 firms downloaded the RFP and were included on the planholders' list. A virtual pre-proposal conference was held on February 15, 2024 and was attended by 3 participants representing 3 firms. There were 38 questions received, and responses were released prior to the proposal due date.

A total of five proposals were received by March 25, 2024, from the following firms listed below in alphabetical order:

- 1. CliftonLarsonAllen LLP
- 2. Crowe LLP
- 3. Eide Bailly LLP
- 4. Macias Gini O'Connell LLP
- 5. Vasquez & Company LLP

B. Evaluation of Proposals

A Proposal Evaluation Team (PET) consisting of Metro staff from Accounting and Management Audit Services was convened and conducted a comprehensive technical evaluation of the proposals received.

The proposals were evaluated based on the following evaluation criteria:

Phase I: Minimum Qualification Requirements – This is a pass/fail criteria. To be responsive to the RFP minimum qualification requirements, proposer/s must have met all criteria:

- 1. Proposer has been licensed as a Certified Public Accountant (CPA) to do business in the United States for a minimum of five (5) years.
- Proposer has a satisfactory Peer Review within the last three (3) years showing compliance with Generally Accepted Government Auditing Standards (GAGAS).

Phase II: Technical Evaluation: Proposers that met the Phase 1 minimum qualification requirements were further evaluated based on the following evaluation criteria and weights:

•	Experience and Qualifications of the Firm	30%
•	Experience and Qualifications of Key Personnel	35%
•	Comprehensiveness of Work Plan	20%
•	Price Proposal	15%

The evaluation criteria are appropriate and consistent with criteria developed for similar projects. Several factors were considered in developing these weights, giving the greatest importance to the experience and qualifications of key personnel.

Evaluations were conducted from March 26, 2024, through April 18, 2024. All five proposing firms were invited for oral presentations. The Proposers' key team members had an opportunity to present their team's qualifications and to respond to the PET's questions. The PET completed its evaluation of proposals and determined Crowe LLP to be the highest-ranked proposer.

C. Price Analysis

The recommended price has been determined to be fair and reasonable based on adequate competition, price analysis, an independent cost estimate (ICE), and technical analysis.

	Proposer Name	Proposal Amount	Metro ICE	Recommended Amount
1.	Crowe LLP	\$2,561,420	\$6,732,203	\$2,561,420
2.	Eide Bailly LLP	\$2,673,502		
3.	CliftonLarsonAllen LLP	\$2,499,600		
4.	Macias Gini O'Connell LLP	\$3,278,166		
5.	Vasquez & Company LLP	\$3,135,984		

The variance between the ICE and the recommended price is attributed to utilizing high-end labor rates for large-size accounting firms.
